Author: Brian D. Hill

In Raleigh, NC, May 3th of 2012, a seminar was held to educate the North Carolina General Assembly over the issues of the National Defense Authorization Act for fiscal year 2012 and 2013 (NDAA) and Agenda 21.

It was streamed live on [LiveStream](#) and is not yet archived but when it does it will be online for the world to see and all of North Carolina in the United States of America.

Mr. Stewart Rhodes, the founder of Oath Keepers, a guest star on The Conspiracy Theory with Jesse Ventura under name 'FEMA Camps' or 'Police State' a banned episode, had spoken on the issue of the National Defense Authorization Act (NDAA) along with Jeff Lewis, co-founder and National Director of the Patriot Coalition organization and website, and Rep. Glen Bradley, a Ron Paul endorsed representative, and sponsor of H.R. 982 the opposition to the NDAA & H.R. 983 ICLEI Noncompliance.

ICLEI has already gained support from Raleigh in the past, Caraboro, Charlotte, Cary, and a few other cities in North Carolina but this bill could throw off ICLEI's memberships from North Carolina local municipalities.

Excerpts from a portion of the unaltered Press Release posted in our comment board but I thought I decide I spruce up the press release by adding

Mr. Rhodes and Mr. Lewis, along with Patriot Coalition General Counsel Richard D. Fry, co-authored model NDAA resolutions that have been introduced and/or adopted by sheriffs, other law enforcement, county commissions, and state legislators across the country.

Legislators need accurate, honest information to make informed decisions regarding We the People's business. Provisions in the 2012 & 2013 National Defense Authorization Act (NDAA) violate no fewer than 14 provisions of the U.S. Constitution, including over half the Bill of Rights, and many more provisions of the North Carolina Constitution and Declaration of Rights.

FOR MORE INFORMATION, CONTACT REP. GLEN BRADLEY BELOW,
OR JEFF LEWIS AT 252-876-9489, EMAIL: JEFF@PATRIOTCOALITION.COM

What the Patriot Coalition has done goes in support of the efforts that I have done with the Mayodan Town Council, attended by State Senator Philip E. Berger, where for the last three months I gave documentation on [Agenda 21](#), [the NDAA](#), and even conducted the [Nullify-NDAA](#) Petitioning process to begin the gain of widespread support which would go towards creating a bill to Nullify the NDAA but as [Rep. Glen Bradley](#) introduced [H.R. 982](#) USWGO has decided to funnel the petition to go towards support for that bill.
